Upgrade for the Excellent

In 2016, whenever a client is flying with Hong Kong Airlines by using the signed corporate deal, he will be able to enjoy the opportunity to travel in our award winning Business Class! This opportunity is available to every employee in our member corporate, and here is how it works.

Passenger sends in his application to Hong Kong Sales Office 3 days before his flight

Our Account Manager will reply him a Receipt Confirmation after receiving the application

Passenger must check in at Hong Kong Airlines check in counter in Hong Kong International Airport on the flight date

If seat is available in Business Class on the registered flight, he will be upgraded and, enjoy your flight!
