Corporate Member Event
MyiCellar : Misty Cove Tasting
Monday 10 November 2025

MyiCellar is delighted to invite you to a distinctive wine tasting event, where we will explore the acclaimed Misty Cove winery from New Zealand, highly regarded by the international authority Wine Orbit. Renowned for its pristine terroir and exceptional quality, Misty Cove's wines consistently receive high scores. Isaac Li will serve as our host speaker, guiding you through an in-depth tasting of six exquisite wines that represent the essence of Misty Cove. This selection covers their major grape varieties, offering a complete journey through the unique flavor profile of New Zealand's South Island. We are confident this will be an unmissable

The roundtable will focus on the current business environment in Hong Kong and examine global trends relevant to New Zealand-affiliated companies, as well as businesses promoting New Zealand products and services within the region. The forum aims to foster open dialogue, encouraging participants to share insights, offer suggestions, and provide constructive feedback.

How can we avoid being replaced by AI?
Tuesday 29 April 2025 6:00pm
Online

AI is not a threat to human jobs but a transformational force that redefines work itself. The AI revolution is no longer a distant future - it is happening now. Unlike past technological advancements, AI is not just another tool that enhances productivity; it is a new type of workforce capable of reasoning, decision-making, and automation at an unprecedented scale. How companies should prepare for what happens after AI is fully deployed.

About the Competition Ordinance
Friday 25 April 2025 3:30pm
Online

As part of its public engagement and advocacy efforts, Hong Kong's Competition Commission organises regular public seminars/webinars on the Competition Ordinance throughout the year to familiarise businesses and members of the public with the key provisions of the Ordinance and the Commission's work. This online seminar will be held at 3:30pm Friday 25 April 2025.
